

Shaikh Hyder Ali Ahmed

OSINT Investigations & Protective Intelligence Specialist

Hyderabad, India | hyder97ali@gmail.com | [+91 8595606764](tel:+918595606764) | [LinkedIn: /in/shaikh-hyder-ali](https://www.linkedin.com/in/shaikh-hyder-ali)

PROFESSIONAL SUMMARY

Protective-intelligence and investigations specialist with 5+ years leading high-pressure, sensitive, and complex investigations into behavioral threats, violent extremism, financial crime, and online harms with minimal supervision. Serves as single point of contact for critical incidents — owning end-to-end investigation, briefing executive leadership, and coordinating cross-functional response under time pressure. Deep OSINT, data-analysis, and threat-assessment tradecraft; builds investigation workflows, playbooks, and audit processes from the ground up, and mentors junior analysts.

CORE COMPETENCIES

Escalation triage	POI & behavioral threat assessment	OSINT collection & attribution
Extremism & grievance-actor analysis	Deepfake / BEC impersonation	Synthetic-identity & account fraud
Real-time executive briefing	Investigation playbook design	24/7 incident-response coordination
Enhanced due diligence & vetting	Analyst mentoring & tradecraft	

TOOLS & TECHNICAL SKILLS

Investigation & Intel Platforms: ONTIC, TLOxp, Pipl, RocketReach, Maltego-style link analysis, imagery/geospatial analysis
Methods: OSINT collection & verification, advanced Boolean, behavioral threat assessment (WAVR-21), enhanced due diligence, financial-crime typologies, root-cause analysis, incident-response playbooks
Threat Domains: Violent extremism, child-safety & high-severity online harms, executive/POI protection, deepfake & BEC impersonation, synthetic-identity & account fraud, money laundering
Languages: English (fluent), Hindi & Urdu (native)

PROFESSIONAL EXPERIENCE

Senior Intelligence Manager
[Max Security Solutions](#)

Jul 2021 – Present
Mumbai / Remote, India

Promoted from Intelligence Analyst to Intelligence Manager (2022), then to Senior Intelligence Manager (2026). [Embedded engagement Nov 24 - Jul 25]

- Serve as single point of contact for critical intelligence across 5+ client portfolios — independently owning investigations end-to-end, briefing clients and leadership, and coordinating cross-functional response to time-sensitive incidents.
- Lead OSINT, financial-crime, and behavioral-threat investigations across the Middle East, North America, and South & South-East Asia, translating ambiguous signals into decision-ready assessments.
- Designed and operate PILOT V23 — an investigation-workflow, case-logistics, and task-level audit system built from the ground up to govern the entire analyst desk.
- Coordinated emergency incident response across clients, vendors, and stakeholders, orchestrating unified investigation and remediation under time pressure.
- Own risk-based due diligence and executive vetting; flag social-engineering, phishing, and credential-harvesting campaigns; mentor and train junior analysts in OSINT and imagery tradecraft.

Protective Intelligence Analyst
[Emergent Risk International](#)

Nov 2024 – Jul 2025
Embedded with LinkedIn — CEO Executive Security team

- Held independent charge of APAC regional threat assessment and person-of-interest (POI) threat management, driving investigations from escalation to resolution.
- Assessed executives' digital footprint and advised executive-level security management on concrete mitigation, communicating sensitive findings clearly to non-technical leaders.
- Ran daily threat research and maintained thoroughly documented POI case files in ONTIC; partnered with brand strategy on conflict-of-interest reviews.

Research Assistant
[Campbell Collaborations, South Asia](#)

Apr 2021 – Jul 2021
Delhi, India

- Conducted systematic literature searches, data synthesis, and risk-of-bias assessment for evidence-gap maps and systematic reviews.
- Contributed to reports published for international clients including the UK government and the World Health Organization.

Research Associate
[Leverage Edu](#)

Nov 2020 – Apr 2021
Delhi, India

- Built applicant personas through multi-factor analysis and compiled structured research to seed the database behind an AI-driven product.

EDUCATION

Master of Arts, Political Science — 8.4 CGPA, First Division
Jamia Millia Islamia, Delhi · Political economy & conflict, MENA and Southern Caucasus

2019 – 2021
